

Noah's Ark Animal Clinic Canine Boarding Policies

Age: All dogs must be at least 12 weeks of age or older.

Sex: All dogs 6 months or older must be spayed or neutered

Vaccination Requirements: Written-faxed verification will be requested of your veterinarian prior to or boarding. We require annual vaccinations for rabies, DHPP-C and bordetella (kennel cough). We further require a fecal test to have been completed within the 6 months prior to the animal coming to boarding. Rabies is required for puppies over 4 months of age. All of the above vaccinations and tests can be completed here by Noah's Ark Animal Clinic personnel. All pets must be free of internal and external parasites. If parasites are found on or within your dog, they will be treated at your expense. For the health and well-being of your dog, we strongly recommend heartworm preventative.

Health: All pets must be in good health. Owners will certify their dog(s) are in good health and have not been ill with a communicable condition in the last 30 days. Upon admission, all dogs must be free from any condition which could potentially jeopardize other guests. Dogs that have been ill with a communicable condition in the last 30 days will require veterinarian certification of health to be admitted or readmitted.

Behavior: If it is unknown to you or your vet how your dog reacts to other dogs please notify us immediately. If your dog exhibits signs of aggression towards humans while in our facility, your pet will regretfully not be allowed to return for boarding.

Release of Liability: Although we try to maintain a safe, healthy and fun atmosphere for your dog during boarding, it is possible that your dog might be exposed to communicable illnesses due to direct contact with or close proximity of other dogs. If your dog should become ill from a communicable disease while boarding, the dog will be treated by our clinic personnel and you may be charged accordingly. We do, however, make every attempt to keep our facility as safe as possible for you and your pet. Please be advised that you, the owner, are solely responsible for any illness or injury of your dog's as well as any and all damage to other animals, people and property of Noah's Ark caused by your dog. Noah's Ark Animal Clinic claims no responsibility for injuries sustained to you or your pet while at our facility.
